

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

Timothy O'Meara

v.

Case No. 12-cv-182-PB

New Hampshire Supreme Court

ORDER

Re: Document No. 2, Motion for Injunctive

Ruling:

There are many reasons why the motion for injunctive relief must be denied but it is enough to merely point out that the motion does not come close to alleging facts that would support a determination that the petitioner is likely to succeed on the merits. The Supreme Court has the power to set page limits for its briefs and the petitioner has not demonstrated any likelihood of success in proving that those limits violate the requirements of the due process clause. Motion denied.
